Pre-Study Questionnaire

[*** STUDENT NOTE ***:
This is very general example of a demographic survey. Remember the main purpose of this questionnaire is to demonstrate that your participants are members of the user group (or not).

Q1-Q3 are sample questions. They may not be directly relevant or suitable for your project. Edit to make relevant to your project as required.

Q4-6 are your new questions. They must be relevant to demonstrating one or more of the following:
        - that the Participant is a member of the user group,
        - measuring level of some key user characteristic (e.g., previous experience, motivation, attitude etc)
